

REMARKS

In the Official Action, the Examiner rejected claims 1-3 under the second paragraph of 35 U.S.C. §112 for allegedly failing to define the value of variable R0. The Examiner also rejected claims 4-7 under the second paragraph of 35 U.S.C. §112 based on the term "one kind of the compounds".

By the present Amendment, claims 1, 2 and 3 have been amended to define R0 with greater precision based on the discussion provided in the paragraph bridging pages 18 and 19 of the specification. In addition, claims 4-7 have been amended to replace the term "one kind of the compounds" with "one compound". Thus, the amendments to the claims resolve all of the issues under the second paragraph of 35 U.S.C. § 112 raised in the Official Action.

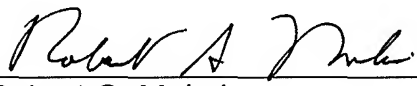

Since all matters raised in the Official Action had been fully met by the present Amendment, applicants respectfully request reconsideration and allowance of the instant application.

Should the Examiner have any questions concerning the application, the Examiner is invited to contact the undersigned attorney at the number provided below.

The Director is hereby authorized to charge any appropriate fees under 37 C.F.R. §§ 1.16, 1.17 and 1.21 that may be required by this paper, and to credit any overpayment, to Deposit Account No. 02-4800.

Respectfully submitted,
